### The vital component in your business plan is back!

**Left to right:** Agnieszka Zitar, Filip Szechtyl, Tessa Meyer, Nicolas Becker, Carol Gronowski, Eric van der Pijl, Neel Klarenbeek, Saffio Bouchot, Ilse Heerlings, Ronny van Kesteren, Frederik Vahnen, Mieke Meijer, Peter Kooij and John van der Aa. Not in picture: Sjoerd Brouwer and Pieter-Jan van den Broek.

It's with a very keen sense of anticipation that I offer you a warm welcome back to the first complete edition of METSTRADE since 2019. The word 'back' fundamentally changed in so many ways during the three years since. However, we know from much encouraging feedback that those creating, selling, researching and purchasing leisure marine equipment identify METSTRADE as a vital constant in their calendars and cannot wait to see it return.

As you can see that moment is now! METSTRADE is back and fully prepared to resume its unique role as the pivotal hub of the global marine leisure industry. We have more than 1,400 exhibitors across 30 halls showing thousands of products that will enable the ongoing success of the whole marine industry in year ahead.

Even as you read this, you'll be sensing a great buzz as the key players you want to engage with gather from across the globe. These busy days together will provide you with unrivalled opportunities to network, research, develop and secure an essential base wave of new business.

As you enter the halls this year, you'll see we have re-evaluated METSTRADE's floor plan and implemented improvements. We believe these changes will open many opportunities to discover new products and contacts while walking to the new location of your key contacts.

Have a tight schedule and worried about planning the right route or cannot find your established business partners in their usual spot? Just book them up in the catalogue or on our floorplans throughout the show. I'd really encourage you to walk through METSTRADE with an open mind and to yourself be surprised by the many new things we have in store!

Several country pavilions have also changed location but – always, you'll be able to see their flags flying clearly as you walk around. If you've never engaged with national trade association stands before then drop by and ask questions – there is a wealth of useful information that they can provide either if seeking support in your own country or looking for partners in other nations.

Hall 13 (also known as the Eclium Ballroom), right at the heart of METSTRADE, will serve as a major

focal point this year to inspire and inform about the very latest developments in our industry. The METSTRADE Theatre will host key presentations and discussions, including our first ever symposium in the Marine Industry International networking and panel event on tomorrow morning, co-hosted with British Marine and Soundings Trade Only.

Hall 13 will also feature all of the DAME Award 2022 nominated products and the shortlisted entries for tonight's IBI-METSTRADE Boat Builder Awards for Business Achievement, in association with Raymarine. An excellent way to catch up on many of the leading developments happening in our industry, right now!

I would like to thank all exhibitors for their loyal support. And before concluding I must express gratitude to COMNA and its members, IBI, The Superyacht Group, Marina World Magazine, Soundings Trade Only, Professional BoatBuilder Magazine, Superyacht Times, iYVRA, Racers SYBASE, the Water Revolution Foundation and all those who serve on the expertise panels, competition juries and our advisory boards. We thank you for your support, energy and loyalty.

On behalf of the METSTRADE team, our network of agents and all staff at RAI Amsterdam, may we wish you all every successful METSTRADE 2022.

## CONTENT MARKETING

Written content conveys integrity, authority and significance. It allows for deep conversations where topics are fully explored. Content marketing is where advertisers pay to have publishers create authoritative content to help brands tell their stories. The fusion of a publisher's expertise with the brand's own credibility is key.

## IBI OFFERS TWO CONTENT MARKETING OPTIONS:

### IBI Presents

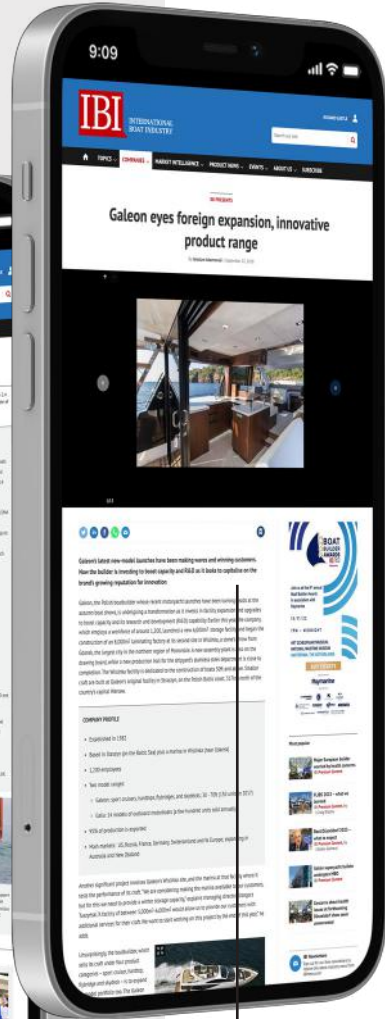

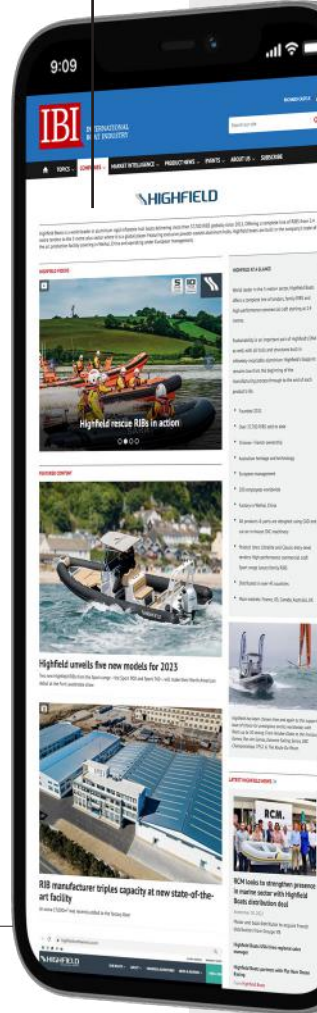

A single article of 500-750 words written by our editorial team along with the advertiser. This is the ideal format for promoting a new product or service in detail. The article can include multiple images and video. An IBI Presents article is promoted over a two-month period and receives 10 social media posts (across IBI's social media accounts), four promotional slots in the IBI Daily Newsletter and is promoted through the ibinews.com website. IBI Presents articles can be fully-branded with the advertiser's ads.

### IBI Featured Company

Content marketing is ideally suited to a long-term commitment so content can build up search authority and become 'evergreen'. As an IBI Featured Company your brand benefits from a dedicated content hub that can feature up to five articles to allow potential customers to discover the stories behind your business, services and brands. Articles can include multiple images and videos.

Your content is promoted over a six-month period and receives monthly promotion via IBI's social media, daily newsletter and links on ibinews.com.
