CONTENT MARKETING

Written content conveys integrity, authority and significance. It allows for deep conversations where topics are fully explored. Content marketing is where advertisers pay to have publishers create authoritative content to help brands tell their stories. The fusion of a publisher's expertise with the brand's own credibility is key.

IBI OFFERS TWO CONTENT MARKETING OPTIONS:

IBI Presents

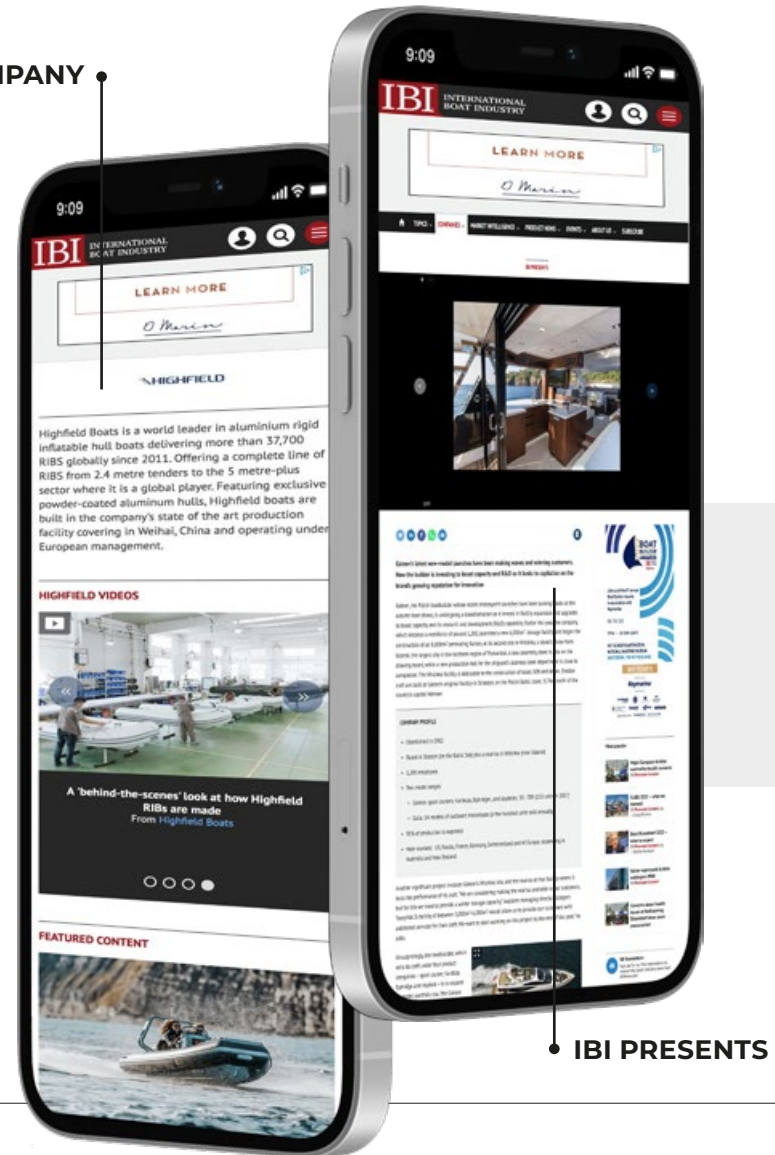

A single article of 500-750 words written by our editorial team along with the advertiser. This is the ideal format for promoting a new product or service in detail. The article can include multiple images and video. An IBI Presents article is promoted over a two-month period and receives 10 social media posts (across IBI's social media accounts), four promotional slots in the IBI Daily Newsletter and is promoted through the ibinews.com website. IBI Presents articles can be fully-branded with the advertiser's ads.

IBI Featured Company

Content marketing is ideally suited to a long-term commitment so content can build up search authority and become 'evergreen'. As an IBI Featured Company your brand benefits from a dedicated content hub that can feature up to five articles to allow potential customers to discover the stories behind your business, services and brands. Articles can include multiple images and videos.

Your content is promoted over a six-month period and receives monthly promotion via IBI's social media, daily newsletter and links on ibinews.com.
